Applicant's amendment after final rejection, filed November 30, 2004, cancels claims 1-5, 7-12, 14-17 and 19-24. In the amendment, claim 18 is indicated as "currently amended" and includes strikethrough, indicating deleted text. However, the examiner notes that all of the text that is indicated as deleted by strikethrough was deleted by a prior amendment. Claim 18 as presented in the November 30th amendment is the same as claim 18 as presented in the amendment filed July 12, 2004.

Applicant presents arguments with respect to various prior art rejections. The examiner notes that each of applicant's statements of a rejection under 35 U.S.C. 103 (a) includes an incorrect list of rejected claims. For example, in the final rejection mailed August 30, 2004, claims 1, 3-5, 14, 15, 19 and 21 were rejected as unpatentable over Tamano et al. (US 6,329,084 B1) whereas applicant's arguments filed November 30, 2004 indicate that this rejection was applied to claims 1, 3-5 and 14-16. Regardless, applicant's arguments are moot since all rejected claims have been cancelled.

With respect to applicant's comments in the section headed "*Claim Comments*" (pages 4-5 of the November 30th communication), the examiner notes that "p. 9, ¶ 13 of Office Action" refers to the Office action mailed March 02, 2004. The noted corrections to claim 18 were made in Applicant's amendment filed July 12, 2004.

Claim 18 is the sole pending claim, and stands allowed.
